Dear Konstantin,

Many thanks to you, Chef Calle and all the staff for a great event last night. All our Kaiser guests enjoyed very much the wonderful food and service. Everything went very well and today many guests thank my husband for great dinner of last night.

I appreciate very much yours and the Chef assistance in helping us plan this event in such a short notice. We also appreciated very care and attention in making sure everything went well and all the guests were happy.

I look forward to plan more events at Della Notte and in next few days I will be happy to post positive reviews on tripadvisor and yelp.

Many thanks and best regards,

Francesca Zanetti and Bill Hitselberger
